

INTERNSHIP CONTINUATION CONFIRMATION

Internship Continuation & Learning Agreement

Dear Intern,

As part of our internship program, we would like to confirm whether you wish to continue your internship with Ralfiz Technologies. The internship is designed to provide practical exposure, structured guidance, work-related learning materials, and opportunities to develop your technical and professional skills.

Please review the following terms and confirm your decision to continue.

1 Internship Continuation

I confirm that I would like to:

☐ **Continue my internship**
with Ralfiz Technologies

☐ **Discontinue my internship**
end participation in the program

If you choose to continue, you agree to follow the internship policies and guidelines mentioned in this document.

2 Monthly Internship Fee

₹750 / month

Rupees Seven Hundred and Fifty only · applicable for each month of continued participation

The fee supports the structured learning and guidance provided during the internship, including:

- Guidance and mentorship for assigned work
- Work-related learning materials and resources
- Technical guidance to improve practical skills
- Support and direction while completing assigned tasks
- Learning resources relevant to the internship domain
- Practical exposure through assigned projects and activities

3 Internship Schedule & Holidays

For interns who are currently attending college, the following schedule will apply:

- Saturday and Sunday will be treated as holidays
- College-declared holidays, public holidays, and other applicable holidays will be treated as holidays for the internship, subject to the company's schedule and prior communication

Interns are expected to attend and participate on the regular working days unless prior permission or an approved leave is obtained.

4 Attendance & Punctuality

Interns are expected to:

- Maintain regular attendance
- Be punctual for scheduled internship activities
- Inform the concerned coordinator in advance when unable to attend
- Complete assigned work within the given deadlines

- Participate actively in training, meetings, discussions, and project activities

Repeated absence without prior communication may affect the continuation of the internship.

5 Work & Learning Responsibilities

During the internship, interns may receive practical assignments, projects, exercises, and learning activities. Interns are expected to:

- Complete assigned tasks responsibly
- Follow the instructions provided by mentors or coordinators
- Make genuine efforts to learn and improve
- Ask questions whenever clarification is required
- Submit work within the assigned timelines
- Maintain professional communication with the team

The guidance provided is intended to help interns learn and complete their work; interns are expected to make their own effort to understand and implement the assigned tasks.

6 Learning Materials

Ralfiz Technologies may provide learning materials, references, documentation, examples, assignments, and other resources relevant to the internship.

Such materials are provided for educational and internship purposes only and should not be redistributed, published, or commercially used without appropriate permission.

7 Professional Conduct

All interns are expected to maintain professional behaviour throughout the internship. Interns must:

- Communicate respectfully with mentors, employees, and other interns
- Follow company policies and instructions
- Protect confidential company information
- Avoid inappropriate or unprofessional behaviour
- Respect project deadlines and responsibilities

Any serious violation of company policies may result in termination of the internship.

8 Confidentiality

Any company information, project information, source code, documents, credentials, business information, client information, or other confidential materials shared during the internship must be kept confidential. Interns must not share or publish confidential information without prior authorization from Ralfiz Technologies.

9 Completion & Continuation

Continuation of the internship is subject to:

- Regular attendance
- Satisfactory participation
- Completion of assigned work
- Professional conduct
- Compliance with internship policies and terms
- Timely payment of the applicable monthly fee

The company reserves the right to discontinue an internship where there is continued non-compliance, poor participation, misconduct, or other legitimate reasons.

10 Confirmation

By selecting **Continue my internship**, I confirm that I have read and understood the above terms and conditions. I agree to follow the internship policies, maintain regular participation, complete assigned work, and pay the applicable **₹750 monthly internship fee** for continued participation.
